Top Girls Hit A Dozen

Four games Four wins as the girls overcame a tricky encounter against local rivals Crawley Green. In a balmy October heat wave the weather wasn't the only thing that was hot hot hot as Six goals either side of half time was enough to maintain their hundred percent start to the season and cement their place at the top of the Chiltern youth league.

After a lethargic start consisting of mis-placed passing and poor final balls the girls finally got into their rhythm and opened the scoring with the in form Molly ruthlessly finishing from just inside the six yard box. The floodgates then opened in dramatic fashion as Charlotte added No 2 shortly after which her sparkling performance fully deserved.

Goals Three, Four and Five soon followed courtesy of the impressive CJ, Charlottes Second and Molly also adding to her earlier goal. Finally the half was complete, and the game effectively finished as a contest when Molly added to her two earlier goals completing her hat-trick in the process.

The second half consisted of more of the same as the girls free flowing attractive football was too much for the newly formed Crawley Green ladies to deal with.

Goal number seven duly arrived as Chloe opened her account for the Luton Ladies with a clinical

strike into the bottom corner.

The scoreline was complete with a further Five goals coming before the end of the game as Natalie ,Taylor (2) Chloe and Morgan decided to get in on the goal scoring act.

A really satisfying performance this week as goals was evenly distributed around the team and the build up play to all of them was superb. Having now reached the quarter point of the season you sense that if the girls are able to maintain their current form then this could turn out to be a very rewarding season.
