Luton Town 1 - Houghton Athletic 0

Two Wins Out Of Two To Start The Season

After a 2-1 win over a good Someries team last week, a tough test against last seasons League Champions Houghton Athletic was expected on Saturday. Not having seen last Saturday's game I noticed that there were a few new faces in the Luton team from last season. It did not take too long to realise, this was a much improved Luton team from last season. The girls that played last year have obviously learnt a lot, and it showed. The new girls all looked to be decent players, so the ingredients are there for a better season to come.

Without wanting to sound biased Houghton rarely threatened the Luton goal, and our keeper never really had to make a proper save of any description. That is due credit to good defending and a lot of hard graft when Houghton did have the ball.

When we had the ball, the passing and movement was good to watch at times, and I am sure we will give the other teams something to think about as the season progresses.

The score of 1-0 would suggest it was a close match, but in truth it wasn't. Houghton's keeper had a good game, and made several good saves. We could have, and should have scored a few more goals, and we will have to be a bit more ruthless in front of goal.

The one goal that was scored, was well worth waiting for. An excellent finish as pictured on the right.

To sum up, a much better, and a much more confident team this year, keep it up girls.

And a big thank you to the new sponsors we have this year. Your contribution to the team is very much appreciated.
