League Cup Match
EB Lions 1 - Luton Town 6

Luton Hit Six as They Tame the Lions

Luton started the game with plenty of the possession and had a hatful of chances to take the lead early on with Lily shooting wide and straight at the keeper. Then Phoebe also shooting straight at the keeper and Ailish hitting her shot wide.

It took Luton 18 minutes to finally find the net when Phoebe received the ball in the area and made no mistake with her left foot shot that nestled in the bottom right corner.

Eaton Bray Lions tried to get back into the game but some strong defending by Cally and Tia thwarted any danger and Amber was quickly out to gather any loose balls.

With 26 minutes on the clock a lovely through ball from Ailish found Phoebe on the left wing. Phoebe crossed to the far post where Ella took a shot at the keeper, who spilled. Ella managed to get to the loose ball before the keeper could and her shot rolled along the line and was put into the net by Amy.

Minutes later Amy had another chance to get another goal as a cross by Lucy from the right found her unmarked but she could only manage to head wide.

Luton continued the second half on top and it only took 4 minutes to add to their tally when a low cross in from the left from Phoebe was tucked in by Amy.

4 minutes later Luton Town had their usual one mistake per game when Joanna lost control of the ball in the centre of the pitch and Eaton Bray capitalised and steamed forward towards the Luton goal. Zoë and Tia failed to

get back in time and the shot was easily put past Amber in the Luton goal.

Luton didn't let losing a goal upset them as they continued to dominate possession but it did take them another 10 minutes to add to their tally.

Lucy ran down the right wing but lost the ball in a tackle, then she quickly won the ball back again. She crossed in where Ella and Joanna were waiting in the box, the ball fell to Ella who made no mistake from 10 yards out.

12 minutes later Ella got her 2nd goal of the game when a great build up from the back, which started with Zoë who made inroads forward and

played the ball through to Joanna and Erin who were waiting at the edge of the area. The ball was taken into the area by Erin who unselfishly passed to Ella to put the ball past the keeper.

2 minutes later Luton wrapped the game up after a mistake by the Eaton Bray Lions' keeper who spilled the ball which Erin was quick to pounce upon. She then managed to get the ball through to Lucy who in turn found Joanna who was unmarked to slot home.
