Town Are Too Strong For Langford In The End To Reach The Final

Luton Town started the game on the attack and Langford could hardly get out of their own half. Although Luton couldn't make their dominance pay and their shots were going high and wide, with the ones on target being weak and easily gathered by the Langford keeper. It took until three minutes before Half time for Luton Town to finally get on the score sheet, when a through ball to Chloe in the penalty area, where she made no mistake by calmly slotting it past the Langford keeper.

The second half got under way and Luton continued to dominate possession but failed to double their lead and with Langford making the odd counter attack there was a danger of them drawing level against the run of

play. With twenty minutes gone in the second half, a stroke of genius was called for and Luton Town got it in the shape of Lilley. She collected the ball from a full thirty yards out and unleashed an unstoppable shot, that to the delight of everyone

for Luton nestled into the bottom corner of the net to give them a two goal cushion and some breathing space. That goal seemed to be the key to open the floodgates and with ten minutes left of the game, Luton Town hadn't finished their scoring. Three minutes later a long throw in from Phoebe who had just come back on the pitch, launched the ball into the area where Aimee, the smallest girl on the pitch, headed the ball beyond the keeper. Two minutes later Luton got their fourth, this time from a corner and Joanna managed to get her head to the ball and steer it into the back of the net. In the mean time she had a clash of heads with Aimee

but that pain didn't stop her celebrating! Within a minute Luton got their Fifth goal when Cally hit a shot from way out and was unlucky to see it hit the crossbar, but lucky for Luton Town Chloe was on hand to tap in the rebound. With the time slowly running out Luton Town finished the game with another goal, when another long throw by Phoebe found Aimee unmarked in the area and easily slotted the ball past the keeper for their Sixth goal.
